Any leftover from previous quarter - Please distribute out at normal rate per household to use up.										
Households with 4 or more people double the distribution rate.										

Column 1 - Commodity Name

Column 2 - Unit Size

Column 3 - Individual items on hand, carried over from previous month

Column 4 - Amount received with monthly order (count how many units, the individual items, not the cases)

Column 5 - Amount discarded because of damage, or returned to Food Bank

Column 6 - Must be Physical Count of actual units, not cases = (column 3 + column 4 - column 5)

Column 7 - Physical Count of units distributed that month (this number typically does not exceed total number of households served)

Column 8 - Inventory at End of Month= (column 6 minus column 7)

<i>Total number of Households that receive TEFAP</i> _____	
<i>Total number of Individuals that receive TEFAP</i> _____
