

# FUND & FOOD DRIVES

Creating a Virtual Food Drive for Food Bank of the Albemarle is easy and the best way to provide food for our neighbors!

**\$10=40**

Every \$10 raised is equal to 40 meals!

**97%**

\$0.97 cents of every dollar directly supports our programs.

**2,000**

**meals**

If you raise \$500, your group could provide over 2,000 meals!

We can create a Virtual Food Drive with your company's logo and any messaging you want to share.

Funds raised through Virtual Drives allow us to purchase the most-needed items at wholesale prices and provide more meals!
